

M.A. in Development Studies and Diplomacy Certificate in Development and Diplomacy

About the Programme

The Master of Arts in Development Studies and Diplomacy is an **interdisciplinary** and **holistic** programme that will not only broaden student's knowledge in the field of **development studies**, sustainability and diplomacy but it will also equip them with the required **soft skills** for a successful international career in any of these areas of expertise. It is offered both **online** and **face-to-face** on the UPEACE campus in Costa Rica. During this programme, students will analyse the different dimensions of development including, environmental, social, economic and human dimensions as well as the theory and practice of diplomacy in the 21st century. Students will also attend skills development sessions that are designed to support their professional career and employability. Careers in this field can be very broad. Prospective employers include governments, international organizations, development agencies, academia and the private sector.

Who is it for?

The programme is designed for graduate students, diplomats, government officers, NGO representatives, international civil servants or private sector specialists willing to strengthen their knowledge in development studies, sustainability, international affairs management and diplomacy.

Invest in Your Future

This programme is unique in that it:

- Is backed by the United Nations.
- Is taught by practitioners, UN staff, diplomats and academics.
- Includes a study field trip to Geneva and The Hague and skills-based sessions for a successful international career.
- Connects different disciplines to provide holistic knowledge.
- Accommodates students' need for flexibility by offering diverse optional modules and weekly seminars).

Duration

Students must complete the Master of Arts in Development Studies and Diplomacy (face-to-face) in two semesters. Students can complete the Master of Arts in Development Studies and Diplomacy (online) and the Certificate in Development Studies and Diplomacy (online) in a maximum of 4 semesters.

Learning Objectives

At the end of the master's programme, students should:

- Have a deep understanding on the theory and practice of development studies, international cooperation and sustainable development.
- Be able to evaluate the different dimensions of development.
- Have a deep understanding on the theory and practice of diplomacy.
- Be able to appraise the nexus between diplomacy, the UN System and current contemporary challenges.
- Be able to apply key soft skills in an international working environment.
